

SPORTS CAPSULE

By: Mr. Coley Johnson, Athletic Director

Our spring sports season is rapidly winding down but not without numerous highlights. Coach Larry Sears and the boys tennis team made great strides this year and finished 3rd in the conference race. Bobby Brzozowski and Clay Walter paired up to capture the #3 doubles crown to earn All Conference recognition. Our girls golf team ended a 20 year conference championship drought for Coach Mike Jordon and brought home the S.M.A.A. conference trophy. Earning first team All-conference honors with their play were Brinae Bain, Caitlyn Hennessey and Kelly Drlicka. Girls soccer battled through a tough schedule and wound up in third place in the conference standings for Coach Andy Hosmer. Senior Samantha Brzozowski and teammate Lauren Everley each received 1st team All Conference honors. Coach Scott Dukate and the boys baseball team more than doubled their win total from a year ago and took two of three from conference champion Stockbridge. Junior first baseman Josh White was honored with first team All Conference recognition for his stellar play while Coach Kevin Miller and our Lady Eagles captured their third straight conference championship and saw Lily Scholl, Cassie Hilliker, Mallory Faling and freshman Kelsie Prendel honored with first team All Conference honors. Our boys and girls track teams finished 5th and 3rd respectively in S.M.A.A. conference action for Coach Gary Huntley and Coach Craig Vitale and were led this year by outstanding efforts from Alex Wolfe, Corey Branda, Terrance Adams, Chris Kimball and Joel Hudson. On the girls side, Paige Webb and Samantha Scouten each earned a trip to the State Finals for their winning performances in the regional track meet along with the 400 meter, 800 meter and 1600 meter relay teams.
